

VGM – Coscon ebusiness

In order to register with Coscon ebusiness your company must already be registered with Cosco.

If registration is not succesful or you can not trace your shipment pls contact our office.

Link:

<http://ebusiness.coscon.com/NewEB/home.html>

Please register by selecting ‘Certified User Registration’

On the home page enter user name and password with verification code and login

The image shows a registration form with a yellow header containing the text 'e Register Now' and a right-pointing arrow. Below the header are four input fields: 'User name', 'Password', 'Verification', and a checkbox for 'Remember account'. The 'Verification' field contains the code '0329'. Below the fields is a blue button labeled 'Login' and a link for 'Forgot password?'.

VGM function can be found under ‘Document service’ in the menu.

The image shows the COSCO ebusiness interface. The top navigation bar includes 'Home', 'Inquiry & Subscription', 'Booking', 'Document service', 'Customer Reports', and 'Service Evaluation'. The 'Document service' menu is expanded, showing options like 'Shipping Instruction', 'B/L Checking', 'B/L Printing OnLine', 'EDI Shipping Instruction', and 'VGM Management'. The 'VGM Management' section is active, displaying 'SOLAS VGM >> Query'. Below this are 'Query' and 'Upload' buttons. There are input fields for 'Booking No:', 'BI No:', and 'CNTR No:', followed by 'Query' and 'Reset' buttons. A table header is visible below the input fields.

Booking No	BI No	CNTR No	CNTR Type	Verified Gross W	Weight Unit	Responsible Pz	Authorized Per	Status
------------	-------	---------	-----------	------------------	-------------	----------------	----------------	--------

Select ‘upload’

Enter booking number and click query

Home Inquiry & Subscription Booking Document service Customer Reports Service Evaluation

SOLAS VGM >> Upload

Query Upload

Booking No: BI No: Query Reset

Tips: For records with container number as empty, please first contact local agent to maintain container event, or submit VGM via other method.

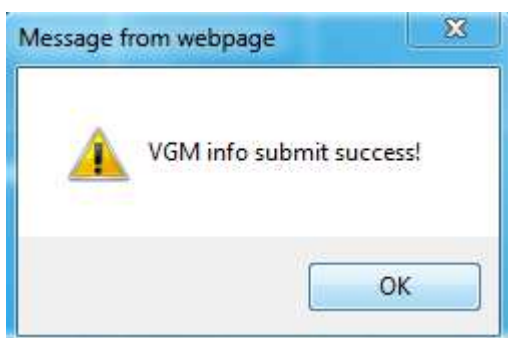

Booking No	BI No	CNTR No	CNTR Type	Verified Gross Wt	Weight Unit	Responsible Party	Authorized Person	Status
------------	-------	---------	-----------	-------------------	-------------	-------------------	-------------------	--------

In query result highlight the booking/container and enter VGM details

CNTR Type	Verified Gross Wt	Weight Unit	Responsible Party	Authorized Person	Status
40RQ		KG			

When details are completed click 'upload'.

After successful upload VGM upload confirmation is shown.

After VGM submission status of submission is shown (received/submitted)

Thank you.
